July-August 2022

**LAMBETH
CONFERENCE**
God's Church for God's world

Dear Sisters and Brothers in Christ,

It's indeed my immense and great pleasure to share with you the news that all the COB bishops and spouses have had the opportunity to attend and take part in the 15th Lambeth Conference held in the world heritage Canterbury Cathedral and the University of Kent, the UK from 26 July till 8th of August, 2022. The theme of the LC was " God's church for God's world " and based on the Daily Bible study on 1 Peter led by his grace the Archbishop of Canterbury Justin Welby. Around 650 male and female bishops and their 500 spouses took part in this LC from across the world. May find some of the photos and enjoy viewing those. Those who are interested may go through YouTube there you may find the addresses of the ABC, opening and closing eucharistic services, Bible study on 1 Peter, press conferences, GSFA's press conference, and all others, and unceasingly pray for the unity and healthiness of the Anglican Communion in such as time of challenges.

So that God's will may be done and we all live our lives according to the teaching of the Holy Scripture and with the faith, order, dignity, and morality that the provinces have been practicing for hundreds of years.
