Message from the Moderator ...

Dear Sisters and Brothers in Christ,
Warm greetings to you all.

As we continue to journey through this spiritual season, it is with a heart full of gratitude that I reflect upon the vibrant activities and solemn observances that have marked our shared path in recent months. The months of January and February were a testament to our collective dedication to spiritual growth, as we engaged in Borosovas- a series of spiritual revival meetings across the Deaneries. These gatherings, infused with enthusiasm and a shared thirst for divine renewal, have been a source of profound blessing and rejuvenation in the Holy Spirit.

March heralded a milestone celebration for our community- the golden jubilee of the Church of Bangladesh (COB) and the bicentennial of St. Thomas' Cathedral. This historic occasion was graced by the presence of friends from overseas, ecumenical leaders, and representatives from various churches. The vibrancy and unity displayed during these celebrations were a beacon of hope and joy, underscoring our shared commitment to faith and fellowship.

As we find ourselves in the midst of the Lenten season, our spiritual journey has deepened through prayer, retreats, and devotional practices. Engaging in Bible study, repentance, and self-reflection, we strive to draw closer to the essence of our faith, guided by the principles of

fasting and sacrifice. This period of solemn preparation invites us to renew ourselves, seeking to embody the virtues of compassion, forgiveness, and unwavering faith.

In this sacred time, it is noteworthy to acknowledge that our Muslim brethren have also embarked on a period of profound spiritual reflection with the commencement of Ramadan. This parallel journey of faith serves as a beautiful reminder of the universal quest for spiritual deepening and communion with the Divine. There is much we can learn from each other's religious practices and the shared values that underpin our respective paths to spiritual fulfillment.

Looking ahead, we eagerly anticipate the observance of Holy Week, Good Friday, and Easter Sunday. Rooted in our Apostolic faith, these solemn days remind us of the ultimate sacrifice of Christ and the triumphant promise of resurrection. As we prepare to celebrate these sacred events, let us hold fast to the hope and renewal they signify, extending our sincerest Easter greetings to one another.

In this season of reflection and renewal, let us continue to support one another in prayer, seeking to embody the love and grace that define our journey of faith. May the light of Christ's resurrection shine brightly in our hearts, guiding us towards a future filled with hope, unity, and spiritual growth.

Paul a servant of Jesus Christ, called to be an apostle, separated unto the Gospel of God, (which he had promised afore by his prophets in the holy scriptures,) Concerning his Son Jesus Christ our Lord, which was made of the seed of David according to the flesh; "And declared to be the Son of God with power, according to the spirit of holiness, by the Resurrection from the dead. By whom we have received grace and apostleship, for obedience to the faith among all nations, for his Name!" Romans 1:4-5

"Christ is risen, he is risen indeed" Hallelujah!
In Christ's love and service,

Most Revd. Samuel Sunil Mankhin
Moderator & Bishop of Dhaka

Dear All in Christ,

Happy Easter to you all. May the joyful season of Easter fill your heart with renewed hope, love, and peace.

In this joyous occasion of Easter we are reminded of the profound significance of this sacred season in our lives. Easter is not merely a historical event; it is a living reality that speaks to the deepest longings of our hearts and souls. Easter encourage us to embrace the transformative power of resurrection and renewal.

Easter remind us the promise of redemption and renewal. In Romans 6:4, the Bible tells us, "We were therefore buried with Him through baptism into death in order that, just as Christ was raised from the dead through the glory of the Father, we too may live a new life." Easter is a time to reflect on the transformative power of God's love, which has the power to wash away our sins and make us new creations in Christ.

Easter give us hope in the midst of despair. In 1 Peter 1:3, we read, "Praise be to the God and Father of our Lord Jesus Christ! In His great mercy He has given us new birth into a living hope through the resurrection of Jesus

Christ from the dead." Easter is an inspiration of hope that shines brightly in the darkest moments of our lives, reminding us that no matter how difficult our circumstances may be, we serve a God who is greater than all our trials and tribulations.

We need Easter in our lives to remind us of the victory that is ours in Christ Jesus. In 1 Corinthians 15: 54-55, we are assured, "Death has been swallowed up in victory. Where, O death, is your victory? Where, O death is your sting?" Easter is a celebration of the ultimate triumph of life over death, of light over darkness, of good over evil. It is a reminder that no matter how daunting the challenges we face may seem, we can face them with confidence and courage, knowing that the victory has already been won on our behalf.

As we journey through this Easter season, may we open our hearts and minds to the transformative power of resurrection and renewal. May we allow the message of Easter to permeate every aspect of our lives, filling us with hope, joy, and a renewed sense of purpose. And may we go forth from this season of celebration, inspired to live lives that reflect the love and grace of our risen Lord.

With best regards and prayers.

Rt. Revd. Shourabh Pholia
Barishal Diocese

Dear All in Christ,

On behalf of Kushtia Diocese, I would like to express my profound gratitude and deepest thanks for your prayers and kind support.

The months of January and February are two special blessed and very busy months for our whole Church. At this time several spiritual revival meetings were organized in 7 deaneries of the Church of Bangladesh.

The two deaneries of Kushtia Diocese hold two meetings respectively. 1. “Dhyna Budhbar Mohasabha” at Bollovepur Deanery and 2. “Hemel Sabha” at Rajshahi Deanery.

Last February 21st and 22nd, the largest spiritual revival meeting of the Church of Bangladesh was held in Bollovepur, which is called “Dhyna Budhbar Mohasabha” (Blessed Wednesday Spiritual meeting). In the presence of approximately 12,000 people, this meeting was incredibly impressive. Many people participated including speakers from India.

The meeting held at the Rajshahi (23-25 February) Deanery is called the “Hemel Sabha”. Hemel is a Santali word meaning fellowship. The meeting was held in association with 29 parishes of Rajshahi Deanery. There, a musical group from Dhaka sang the life of Jesus, especially his sufferings, which was very attractive to the people there.

The year 2024 is a very significant year for the entire Church of Bangladesh and that is the 50th anniversary

of the Church of Bangladesh and the 200th anniversary of St. Thomas Cathedral in Dhaka. On March 1, the anniversary of the Church of Bangladesh was celebrated and on March 2, the 200th anniversary of St. Thomas Church was celebrated. There are many preparations and many events around these two days which attract everyone’s attention. Many guests from all over Bangladesh and even from abroad participated in this event.

One of the many activities on the 50th anniversary of the Church of Bangladesh is the unveiling of the history book of the entire Church of Bangladesh. The book is titled “Revealing the Church of Bangladesh in our hearts”. It was indeed a difficult task because no history of the Church of Bangladesh was previously preserved, this is the first step. It took me almost 5 years to complete the book. Virtually I thank God that He has given me the strength to do this great work.

Currently we are celebrating the season of atonement. This promising time of the year inspires us to draw closer to Christ. The Lord Jesus taught us how to spend time with God in silence. The truth is that if we don’t spend time quietly with the Lord, we can do nothing for others. The period of atonement not only builds a closer relationship with God, but also re-establishes the broken relationship of man with man.

Good Friday and the Resurrection remind us that we have nothing to lose, nothing to fear. Even though our Lord died, He lives in each of our hearts through His resurrection. So we should thank him wholeheartedly. Saint Paul tells us, pray continually; give thanks in all circumstances, for this is God’s will for you in Christ Jesus. (1 Thessalonians 5:17-18).

The pastoral work of the Kushtia Diocese has gained new momentum and all the ministers are working with renewed dynamism. We want to build a new congregation in Rajshahi Deanery, where about 200 new believers are keeping in touch with us. We pray to God to keep us healthy and give us grace in the work of expanding His kingdom.

Thank you to all the friends of the Dioceses and partners who have helped us with prayers and other support. May God be with us.

Rt. Rev. Hemen Halder.
Kushtia Diocese.

and distinguished guests participated in the liturgy.

Notably, St. Thomas's Cathedral, a landmark building in Gothic style with a clock by the historic Big Ben Company, stands on the northern side of Bahadurshah Park at 54 Johnson Road in Old Dhaka. The construction of this church began in 1819, and was inaugurated on 10 July 1824.

A short publication and a documentary film were showcased at St. Thomas' Cathedral to commemorate its bicentenary. As the audience watched the film, they were transported through the past two hundred years. Additionally, a delightful cultural program featuring dance and song added to the visual appeal and interest of the event.

The bicentenary celebrations showcased vibrant cultural performances by the Bengali, Santali, and Garo tribes.

Spiritual revival meeting was held in each deanery

Every year, the Church of Bangladesh (CoB) hosts spiritual revival meetings in each of its seven deaneries during the months of January and February. Each deanery is assigned a distinct position, with bishops from dioceses serving as keynote speakers at these annual spiritual prayer gatherings. Devotees of Christ, hailing from places as distant as Parish, attend these religious assemblies, often journeying on foot.

A particularly notable feature of these meetings is the 'healing worship' session. During this time, believers from all faiths converge to offer their vows, express gratitude, and seek divine healing. They fervently beseech God the Father for forgiveness of their transgressions. People hailing from diverse religious backgrounds and communities actively partake in this healing ceremony. Over the years, the spiritual congregation of the Church of Bangladesh has evolved into a universal spiritual assembly. This gathering has become a cherished tradition of the Church of Bangladesh for the past 150 years.

It's worth mentioning that within the seven deaneries, separate religious councils are convened with distinct focuses. Bengali, indigenous Garo, and Santal believers organize Christian religious gatherings following their respective traditions and cultural practices.

It is noted that, the 114th revival meeting of Haluaghat and Madhupur deaneries took place from February 8-11 at Haluaghat Saint Andrew's Mission. This year's theme, inspired by John 21:15-17, emphasized Jesus' repeated

question to Peter: "Do you love me?... feed my sheep." The Most Revd. Samuel Sunil Mankhin as Moderator & Bishop of Dhaka Diocese delivered the speeches.

On the evening of February 8th, the revival meeting grounds echoed with the harmonious beats of drums and cymbals from every parish. The Moderator, The Most Revd. Samuel Sunil Mankhin led the kirtan encircling the revival meeting ground.

From February 21st to 22nd, the largest spiritual revival meeting of Bollovepur Deanery was held at Emmanuel Church in Bollovepur, known as "Dhannyabudhbar shava." Approximately 10,000 people participated in the event.

The 108th revival meeting of Jobarpar Deanery convened at the Holy Name Church in Shuagram from February 22nd to 25th. The main theme was "Love and grow in love" - Ephesians 3:17. Rt Revd Shourabh Pholia, Deputy Moderator and Bishop of Barishal Diocese, delivered the speeches.

From February 23-25, 2024, the 66th Hemel spiritual revival meeting gathered Christians from across Rajshahi Deanery at the St. Barnabas Church, Paitapukur. The theme was, "Lord, when I get you, I receive everything." (Matthew 6:33). Rt Revd. Hemen Halder, the Honorable Bishop of Kushtia Diocese, preached on the main theme.

The Holly Confirmation ceremony is conducted amidst the attendance of thousands of Christian devotees during the spiritual gatherings of each deanery.
